Dear Rob

Nice to see you on Saturday.

As promised a further communication about this. Dyanne says it's now a 4-day inquiry.

3 questions:

1. What are the dates?
2. When can I see the file?
3. How much are you going to pay me?

Best wishes

James

Guday Mate,

It is an unusual situation. Rule 6 is taken care of. A three day Inquiry. Your proof will only need to be done by end of January. It will say that you are James Caird and that you are instructed to represent on behalf of the Council, that in the event that the Inspector is minded to approve the application the Councils suggested conditions (already drafted) are included in any decision.

There, I have done your proof for you. Stick that on the barbie.

Rob

Subject: PI in March

Dear Rob

Thanks for your phone message about this. I would like to do it for you if the dates and other details fit.

One problem though is that I am in Australia until the end of the year, and am trying to keep

my life:work ratio as near to 100:0 as I can manage. I suspect the Rule 6 statement would need to be done before I get back. Is someone else able to cover that for me?

Perhaps someone could fill me in with some details by e-mail. Phone is a bit hit and miss and quite expensive, but you can phone again if you like. It should only cost the normal mobile rate. Please bear in mind that I am 11 hours in front of you so try to avoid phoning after 11am.

I am copying this to Dyanne and Ann in case you're on leave on Monday.

Best wishes from (very) sunny Mooloolaba on Queensland's Sunshine Coast where the sun...
(etc etc)

James
